1. Please arrive 15 minutes before the start time of the hike.

2. Hikers are expected to wear appropriate attire for the weather and the terrain. In summer, sturdy footwear is necessary. Hiking poles are a good idea in any season, especially if the terrain is rocky or slippery. Wearing appropriate clothing and footwear prevents injuries and shows consideration for a safe and positive group hiking experience.

3. Always carry I.D. and your health card.

4. Bring sufficient water and snacks (or lunch if indicated).

5. For spring and summer hikes bring sunscreen and insect repellent.

6. Bring your own first aid kit.

7. Follow the safe hiking guidelines as outlined:

- Each hiker must perform a self-screening check before hiking.
- Hikers and Hike Leaders are to follow the guidelines for safe hiking laid out on the BTC website.
- Hikers who experience COVID-19 symptoms following a hike must inform their local public health unit and should inform the hike leader.
