2020 Annual General Meeting Minutes
Secretary- Mary Jane McIntyre

The 2020 Annual General Meeting was held electronically from late June, 2020 to July 17, 2020. The Bruce Trail Conservancy office circulated a package containing Reports of the Directors to our club members who approved contact via email. Members were given 3 weeks to peruse the documents and vote electronically on the following:

1. Approval of 2019 Annual General Meeting Minutes
2. Approval of Reports from Directors for 2019-2020
3. Approval of the proposed 2020-2021 Slate of Directors
4. Approval of the revised Bylaws for the Blue Mountains Club as presented

Thirty-six households responded to the electronic Annual General Meeting and voted to approve all motions. The board was pleased to have received support from the membership for a meeting of this kind.
